4. Business arising from May minutes:

- Track Meet – Went well all three days. Everything was a dollar, which made it easy. Expenses were \$981.66 and we deposited \$1,154.35. Leftover freezies were donated to the Reading Party.
- Talent Night – Well attended. The SRC helped out and plated everything for the desserts.
- Grade 3 Orientation – Bingo was popular. It was hard to hear the tour leaders and the kids did not stay with their parents. We will need to re-evaluate for next year as we won't have new kids coming in due to the transition to a Grade 6 to 8 school.
- Communication – Facebook/Twitter – Rana was contacted by Subway about posting to our Facebook page but we would like to stay away from advertising. Candace will try to post a reminder when hot lunches or when certain classrooms are having a lunch.

5. No correspondence.

6. Reports:

- SRC - No Report
- School Administrator's report – attached.

➤ Board Trustee report – No Report.

➤ Fundraising/Hot Lunch report:

Taco sale was good, Taco Time was easy to deal with and it was sorted by class in heated bags. Not a lot of errors, but if there are errors in the future we will need to have the order form come down with the child in order to fix it. We had a profit of \$660.00. Possibly only offer beef and cheese option next time.

7. New Business

➤ School Fundraising - Fundscrip - Would like to gear it more toward online ordering. We can do the class challenges again. Would like to have it out before the October long weekend.

➤ Fall BBQ – We will do burgers and hotdogs and need to order two weeks ahead of time. This year we won't order the same amount of chips and pop so we don't have as much left over.

➤ E-Motion

8. Next Meeting – September 15, 2016 at 6:30 pm.

9. Adjournment
