- READ Saskatoon – Danielle Tooley - Math/Literacy Night to be held on Wed. April 12, 2017 from 6:30 to 8:00 pm. There is no cost to the SCC for presenting this to parents/students. Set up will be in the hallways of our school and will begin approximately half an hour to an hour before the start time. There will be draws and prizes throughout the evening. It will be advertised through Powerschool announcements to parents/guardians.
- Religious Education (Bible History) – Lori Jeschke (superintendent) joined our meeting to answer any questions our members have. The biblical history class began in Sept. 2007. It is an approved policy (#605) and a formal request is needed to make a change to the policy. Discussion. Members felt they needed more time and had more questions for the ministerial before proceeding with a survey or request for change in policy. It was suggested to invite Connor Schram to a future meeting to talk about the contents of the Warman Ministerial's biblical history class. No formal review of Policy 605 will be undertaken at this time.
- Follow up on Staff Appreciation Lunch on Jan. 5 – 8 volunteers came out to help with supervision on that day while the staff enjoyed lunch together. Thank you to Deb Remeshylo & Lisa Mason for organizing these volunteers! Teacher Appreciation week is coming up on Feb. 13-17. Discussion. We will send out a request through Powerschool announcements for donations of baking/desserts for Thurs. Feb. 16 for the staff.
