3. Business Arising from Previous Minutes
  - a. Flip Give Fundraiser is complete as of the end of May - and drum roll please - we raised \$466.77 as a school community group! Way to go WCMS families, thank you for shopping and helping us raise funds for the school! Now, do we want people to continue using their personal accounts and earn funds in the “off-season”, then transfer to the team once we reopen a fundraiser? Will we run this in the fall, or look more so to earn funds from Funscrip? Noah is our expert and can help explain here? Thanks AGAIN to Noah for all his work for setting up the account and helping us raise funds!
    - i. **Noah to send message to be sent out to school community – “if you want create your personal account you can add your summer total to the school fundraiser in the fall”**

- b. SCC Spring Assembly - was held on May 25th and hosted by Paul McTavish. I have included a PDF of the presentation we viewed that night (see attachments). I attended, so if anyone has any questions, please don't hesitate to ask. Here is a refresher of what our SCC group is / is not:

The image shows a presentation slide titled "SCC - What it IS and IS NOT" with a hand-drawn red starburst graphic. The slide is divided into two columns: "SCC IS" and "SCC IS NOT".

SCC IS	SCC IS NOT
Focused on engaging parents and community in student learning	Focused on helping with school fundraising
Working together to build strong relationships between school and community	A place to bring grievances about issues occurring in the school or the community
Using funds to engage parents in student learning and well-being initiatives	Using funds to upgrade the school facilities

The slide is displayed on a screen with a video conference interface at the bottom, showing icons for mute, video, chat, and other controls, along with a row of participant avatars.

- c. SCC Back to School BBQ - did everyone think about or have any thoughts to share about the timing of this fall event? Do it as a prior to the school year begins (and drop off supplies) or a few weeks into the school year? Lisa, did the teachers have any feedback for us?
- Planning for Aug 30. Notice will be sent out before the end of school.
- d. Year End Report and Financial Reports - submitted by Christy to Erin and Paul McTavish at the division office.
- Because we did not meet in person for our final meeting - we will table a supper meeting to the fall (hopefully September) - let's cross our fingers that things are back to normal in September!
