

Dear Warman Elementary Families,

Where has the year gone? Suddenly it is June and we find ourselves preparing for the end of this school year. This year has been full of students discovering, exploring, understanding, and working hard with their learning. Even though we are near the end of the school year, the learning continues. In May, students of Warman Elementary entertained the community at our annual Fine Arts evening, a Bike Rodeo was held at the Fire Department, several class field trips occurred and 3Bond and 3Cox presented at an assembly. We also witnessed many colourful and vibrant outfits on our Rainbow Spirit Day!

June will be an event-filled month as we take advantage of the warmer weather and host Track and Field days. Grade 5 and 6 students from Warman Community Middle School will help run events at the upcoming Track and Field days. Parents and family members are welcome to come out and cheer on their children. We will not have a concession this year so please bring any supplies and seating you will need for the day. We will coincide our June Pizza Hot Lunch with each class' particular Track and Field Day.

Our final Spirit Day will be on June 22nd. We encourage everyone to dress their very 'Beachy' best and enjoy some Fun in the Sun! It just so happens to fall on our Family Picnic day so we'd love to see families participate as well. Bring on the giant sunglasses and big straw hats – oh and don't forget the sunscreen ☺ . Weather permitting, students will eat outdoors with parents. Please bring or send lunch to school with your child if they are not having the pizza hot lunch. If weather does not cooperate, we will eat inside. While you are here, please take a moment to check the Lost and Found tables to see if any of your children's belongings are there.

This month will consist of many class field trips, trips to the spray park and year-end activities. It is a great opportunity for classes to celebrate all the learning and experiences that they have shared.

A year filled with countless creative and varied learning experiences that students have been afforded this year comes from the efforts and energy of our dedicated staff. We would like to acknowledge and thank the Warman Elementary Staff for their investment in your child's learning growth! As well, a sincere thank you to our Bus Drivers for seeing students safely transported to and from our school throughout the school year. And, to our custodians, thank you for your care with helping keep our school clean and safe for student learning! We would also like to thank you, parents and guardians, for your support and partnership with the school as we work together to help your children learn and grow.

To all we wish you a safe and fun summer and look forward to seeing you in the 2018/2019 school year.

**Your administrative team,
Orlando Pauls
Kristen Mathison**

DATES TO REMEMBER

June 4

Kindergarten Orientation
9:30a.m & 1:00p.m

FUN in the SUN Spirit Day!

June 27

**Last Day of Classes
Learning Summaries go home**

Sept. 4

**2018 – 2019
School year begins**

1 N

Welcome to 1 Niedermaier, a classroom full of hard working students. We started our year off as a class worried to try new things, but now are reading, writing and sharing their own opinions. I am proud of how much this group has grown.

We are getting into our Fairy Tale unit. We are learning how stories have a beginning, middle and end. We are finding out that each story has a lesson learned in the end and how the same story can be told in different ways. We are working on our own Fairy Tales with our recycling buddies in 4 Mulligan.

June will be a very busy month. We have track and field, Father's Day and a trip to the spray park. We are also learning adding and subtracting to 20, objects and materials in Science and our past in Social Studies.

I have enjoyed my year with this group and look forward to finishing off the year strong.

Mr. T. Niedermaier

LEARNING SUMMARIES

The year-end Learning Summaries will be handed out to students on Wednesday, June 27 which is the last day of classes. If a student is absent on that day parents/guardian are welcome to come and pick up report cards until Friday noon. After this time, any remaining reports cards will be mailed out and no longer available at the school for pickup. If a student is not in attendance on the Wednesday and nobody is able to pick the report card up at the office you will have to wait to receive it in the mail as **teachers will not be handing them out earlier.**

Happy June! The students in 2LW continue to grow and learn more everyday! We are a respectful and caring group and have really enjoyed our year together. Some highlights of our year include the grade 2 Christmas concert (*Madison, Riley, Haedyn*), going on field trips (*Tori, Gus*), our teachers (*Patience, Kevin, Sophia*), gym games and crafts (*Eric, Sedric, Brynn*), math (*Riley, William*), and the new friends we made. (*Bria*)

We are really proud of our animal research project (*Kevin, Sophia, Gus*), the poems we wrote (*Kevin, Suri, Haedyn*), and our mental math skills (*Gaige, Madison, Sedric*)

Our summer plans include going camping, playing outside with friends, swimming at the lake, travelling to BC and Vietnam, going to gymnastic camps, and spending time with grandparents.

As we look to grade 3 we are excited to meet new friends and teachers (*Bria, Kevin, Tori, Gus*), go on field trips (*Haedyn, Bria*), and learn harder math (*Tori*).

We hope everyone has a wonderful summer!

Pre-Kindergarten program at Warman Elementary

The Pre-Kindergarten program in Warman will be relocating to **Warman Elementary School** from Traditions Elementary School for the 2018/19 school year.

Children born in 2014 or 2015 may participate in this specialized program, which has 32 spaces. Acceptance into the program is based on a wide range of criteria. The Pre-Kindergarten program provides students with appropriate developmental opportunities and supports at an early age, focusing on active, experiential learning through play.

Dates To Remember

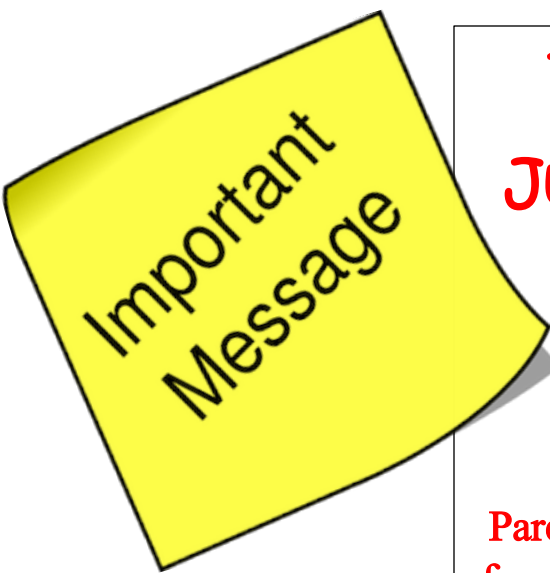

May 30th: Parent Information Night @6p.m

June 4th: Deadline for applications

June 28th: Applicants will be contacted regarding acceptance

Applications are available at the office.

School enrolment: We are proud of the strong school culture and the learning communities that have been developed at both Warman Elementary School and Traditions Elementary School over this school year. Our elementary schools in Warman benefit from balanced and stable student enrolments. **Please note that moving your child from one elementary school in Warman to the other requires the approval of our Learning Superintendent, Mr. Kim Beaulieu (306-683-2840).** A request of this nature will be considered if there are special circumstances. Thank you!

All un-used milk cards can be sent back to school with your child in the fall and used for the new school year.

Family Picnic June 22 @ 12:00

Parents / Guardians, siblings, family members are invited to join their student at W.E.S for a picnic style lunch outside on the school grounds (weather permitting).

*If the weather does not cooperate everyone is invited to find a space inside.

SPIRIT DAY

JUNE 22

~ flip
flops

~ sun

~ sun
glasses

TeenClips.com #2101 service@toonclips.com

Please stop by our lost and found and re-claim your child's belongings. Lost items such as jewelry, car keys, bike locks, eye glasses etc. are located in the office.

*For the safety of everyone please make sure students and adults are crossing at the marked crosswalks.

*Drivers please take extra caution when driving in front of the school and be aware that things will slow down during the beginning and end of school times.

*We ask that all parents obey the parking and drop off signs at the front of the school and in our drop off lane. The bylaw officer will be issuing tickets for those continuing to park in non-parking areas and stopping in bus lanes during marked hours.

Warman Elementary School would like to acknowledge and congratulate the following Teachers on their retirement. We're really going to miss you! Hope you'll enjoy every minute of your retirement. Best wishes!

Rose Hamilton

"Thank you for sharing your children with me. Thank you for taking an interest in what he/she is doing. Thank you for having cared about your child enough to let them fail from time to time, but being there to pick them up, brush them off, and help them grow from the experience. Thank you for investing time in your child. It is the most valuable gift you give them. Thank you for having helped them realize that the choices they made were *their* choices and the consequences, good or bad, were theirs to own. Thank you for letting me be a part of the 'village' that got to help raise your child. Thank you for trusting me with your most prized possessions. Thank you for the many years of learning together, laughter, endless questions, sharing and spontaneous hugs. I have been truly blessed to teach and learn with so many amazing children and colleagues. How lucky I am to have had something that makes retiring from it feel so difficult. "A teacher is not what we do it is who we are."

Jo Barber

Thank You to the Warman Community of Parents, Children and Colleagues for your love and support in my years at Warman Elementary School. I will miss being actively involved in Education and Learning through Play in a School setting. I plan to continue to Learn and Play in retirement.
Love,
Jo Barber

Chris MacDonald

I would like to take this opportunity to thank you for allowing me to walk beside your child as a part of their learning journey. It has been a privilege to work with so many students, their parents and staff during my time at WES. I am retiring with mixed emotions- excited at the prospect of where new roads will lead, but fondly remembering where I have been.

~ Chris MacDonald

Linda Sawatzky

Wow! It's hard to believe that the time has come to say, "Good Bye". I began my teaching career at Lord Asquith School teaching grade 3. After 20 years in Asquith where I also taught Kindergarten, I moved to Pike Lake School. 3 years later, I began teaching grade 2 at Warman Elementary and I have been here for the last 10 years. It has been a hugely rewarding career as I have had the opportunity to spend a lot of time with so many amazing little people. I will absolutely miss the many hugs, special drawings and funny stories. I would also like to say "Thank you" to the wonderful and supportive parents that I have had a chance to partner with in their children's learning. I have always felt so honored that parents are willing to share their little treasures with me. Finally, the staff at Warman Elementary is incredible and I have been extremely blessed to work alongside such dedicated teachers, administrators and educational associates. It is with mixed feelings that I transition to a new chapter in life. The call of travelling with my husband and spending more time with grandchildren just can't be ignored but the memories of a career filled with joy of learning and the laughter of children will never be forgotten.
