******Teachers will be contacting you by email late August with a welcome email and a list of which items to send for the first 6 weeks of school. There may be some small changes to the list as we hear more details about the re-entry plan.***

A Daily Nutritious Snack: Perhaps an apple, carrot sticks, crackers and cheese. NO CANDY, AND NO GLASS CONTAINERS PLEASE. **Please no fruit cups (they create a terrible mess).** No soft drinks in thermoses. Please pack the snack separate from lunch, we sometimes get very hungry and eat everything at snack time! **All food must be NUT FREE.**
Please have your child practice opening their own snack and food containers.

Environmental Message: We are an environmentally friendly school. We encourage parents to send snacks and lunches in reusable containers (ex. A small container of raisins instead of fruit snacks in plastic wrap). Please label your child's containers so they can be returned if they are misplaced
