Dear École Warman Elementary Families,

Wow! Our first week back has really flown by!! After all of our time spent planning and preparing we FINALLY got to welcome back our students and it made it all worthwhile!! This week, students and staff spent time in smaller groups getting to know one another, establishing new routines and having a “soft start” back to school. In speaking to students, staff, bus drivers and parents, we are hearing how meaningful this time was to start back this way this year and we are elated with how well everyone has done!! This transition back could not have been made possible without such wonderful parent/family support. A HUGE thank you for working from the home-front in preparing and debriefing, in modeling a sense of calm and flexibility and for your ongoing communication with classroom teachers who are getting to know your children. Merci beaucoup!!

“Shout-Outs”

are a fun way to recognize and congratulate ongoing greatness in our school community.

This week's shout outs go to:

Students: Great work this week!! Especially in learning your meeting spots and always being ready in your lineups before school and after recess for your teachers to pick you up. Nailed it!! 😊

Staff: All of your commitment and hard work has paid off! Students are back and your cheery smiles, helping nature and welcoming voice has helped them come back to a safe, happy and healthy school environment. Great work 😊

Parents and Caregivers: Thank you all so much for tweaking your schedules to accommodate the new year. From ensuring that your children do not arrive before that 8:30 am time frame, to being extra cautious with pick-ups/drop-offs and signage for parking/bus and drop-off zones...you are such a huge contributor in helping things run smoothly and safely out there. Merci 😊
