

## Welcome Back

Welcome back EWES family members and welcome to our 2021-2022 school year!!! We know that many of you are enjoying your last few weeks of summer and hope you are enjoying time with the family and making wonderful memories together to share with us this fall. We both enjoy the lake and find that time in nature, out in the fresh air, near the water, and in the sunshine is just what we need to take time to rejuvenate, reflect and prepare for the year ahead.

We would like to extend another *thank you* to all of our school families for helping make last year great and despite all of the challenges that we faced with the pandemic, we learned so much and had so much to celebrate and be grateful for. We feel so lucky that we were able to be together to learn and grow and are looking forward to the fall and the newness of our 2021-2022 year together!! All signs point to a great school year ahead, and we know that the staff are ready to welcome their new students, our school is shining and clean and we are ready for a great year together!!

Yours in learning,

Mrs. Olson (Principal)

Mrs. Lacoursiere (Vice Principal)
