

May 2022

Dear ÉWES Families,

Spring has finally sprung (we hope!!!) and we are excited for all of the fun times we have planned together at ÉWES in our last few months together before the summer break. We hope you and your families all had a wonderful Easter break together and were able to rest, rejuvenate and make memories as a family. We are enjoying seeing all of the growth in each of our students at this time of the year and our classrooms are filled with little readers and writers talking about their learning - what a beautiful sound! We look forward to getting outside to learn much more this spring, be it on classroom field trips or taking time to get outside in the fresh air to learn in our beautiful school yard at ÉWES.

Happy spring everyone!

Take good care,

Yours in Learning,
Danielle Olson, Principal
Nicole Lacoursiere, Vice Principal

Parents!

Are you looking for more ways to become involved in your school community?

Our School Community Council (SCC) is welcoming new members to join for the 2022-23 school year. We meet virtually once a month to plan and discuss ways to support learning and family-school connections. We work alongside school staff to promote and help with school activities and educational endeavors. It truly is a wonderful way to be involved our students' school community.

Our Lost and Found bin is currently overflowing! Please encourage your student(s) to check and see if any items belong to them, or if you have a chance, stop into the school to check out the items we currently have in our possession and claim those missing pieces.

École Warman Elementary SRC hosted an Iced Tea fundraiser with proceeds being donated to the Humanitarian Aid for Ukraine.

THANK YOU to everyone that brought money and participated in our fundraiser! The SRC is very pleased to share that \$706.45 was raised with this fundraiser.

The École Warman Elementary School SCC Story Walk was a fantastic activity that many students participated in with their families over the Spring Break. We had many entries returned after the break.

A BIG thank you to our SCC for providing 15 prizes for students that entered our draw. Congratulations to the winners!
