If you already have an account, please proceed to the Healthy Hunger website (www.healthyhunger.ca) and log into your account. At the end of the school year Healthy Hunger always erases your child(ren) from your account so you will be prompted to add your child(ren) and which grade/teacher they are with for this school year. **Please ensure that you select the city/town as Warman and the school as École Warman Elementary School.** Once you have added your child(ren) you are then able to place your order. If you are new and have not created an account, please proceed to the Healthy Hunger website, and click the green *Learn More* button under Parents and then sign up for a free account.

- Once you are into your account you will notice that the hot lunch options/dates have been set up for the remainder of the school year (except June - more info will follow). If you would like to proceed and order all your lunches "available to date" you can. At any time you may log back into your account to make changes to your orders.

If you have any questions regarding the lunches, please contact the school at wes@spiritsd.ca. If you have questions or require technical help with the Healthy Hunger website, please call their helpline at 1-800-818-6260.
