

January 2023

Dear ÉWES Families,

Happy new year et bonne année!! It is great to be back at school and we hope that everyone had a nice, rest-filled break!

We were overjoyed to see so many of our school families out for our Holiday Festival at the end of December and know that the students loved getting to tote you around and enjoy some fun with classmates and staff. Thank you for coming!!

We are looking forward to a great month ahead with lots on-the-go as usual as we continue to work together towards our school goals in *Literacy, Reconciliation and Mental Health & Wellness* as well as in building relationships around the school with events put on by our SRC (Student Representative Council) and SCC (School Community Council) for all to enjoy that help us meet our goals and build relationships together.

It is nice to come back to school after the break to milder temperatures, but please keep an eye on the weather and don't forget to bundle up for recess/bus/afternoon body breaks/clubs, etc.

This term, we welcome four new students from the College of Nursing who will be at ÉWES every Monday and Tuesday and soon, we will also have a 3 new Winter Practicum Students from the College of Education joining us twice a week as well. We are very lucky to get to work with several local community partners and are excited to start the new year together!!

Take care and stay warm everyone,
Mrs. Olson & Mrs. Lacoursiere

Family Literacy Day/Week

The Government of Saskatchewan has proclaimed January 27, 2023, as Family Literacy Day and January 23 to 29, 2023, as Family Literacy Week in Saskatchewan. The Week provides opportunities for communities, libraries, schools, and other organizations to plan and host events that raise awareness about the importance of family literacy. Through activities they do together, families support their children to build literacy skills, preparing them for the future, and contributing to strong communities. This year's theme is "Celebrate your Heritage."

You're invited to celebrate with the Saskatchewan Literacy Network and the nine Family Literacy Hubs by joining the free livestream events, in English or French, on January 27, 2023. There will be online readings in English and French and a live question and information session with the Saskatchewan African Canadian Heritage Museum's book *Li'l Shadd: A Story of Ujima/Ti-Shadd:L'Ujima Au Quotidien* written by Alix Lwanga and Miriam Körner, with illustrations by Miriam Körner.
