

## September 2023

Dear ÉWES Families,

Welcome back! Bienvenue!! We hope you had a wonderful summer with your families, and we can't wait to hear everyone's stories of getting out in the fresh air, taking some time to slow down, and growing and learning together in so many ways over the past few months!

Merci/ thank you for taking time to attend our Meet the Staff/ SCC Back to School BBQ again this year!! This annual event has been so great, not only in getting a chance to re-connect, and to get to know new students and families, but also to help all our students feel ready to start on their first day back with confidence as so many of the "unknowns" (*Where is my classroom? How do I get all my supplies there if I bike to school? What is my teacher like? What door do I use? Where is my locker? etc. etc.*) out of the way. We thank our School Community Council (SCC) for their time, as well as Buy-Low Foods in Warman for their generous donations and discounts to help make this event free for families!

We are excited to get back in the swing of things this month and are to welcome several new staff members to our ÉWES team!! Joining us are Karen Hood and Betty Penner (assistant caretakers), Chelsea Duncan (kindergarten), Ashleigh Hoang (grade 1), Erika Power (grade 1 maternity leave), Gina Moir (grade 2), Jonah Chivilo (grade 2), Eric Martin (grade 5/6), Kira Barber (learning facilitator), Lindsey Yeo (SERT) as well as our interns, Sidney Rowley (U of S) and Kiyara Linford (U of R). In a few short weeks, we will also get to welcome our College of Nursing Practicum students to the team and look forward to working alongside these wonderful members from public health as well!

This month, we look forward to all of the "firsts" that each new year brings us...school-wide assemblies together, reading in the library, shared gym with another class, care partner activities, and loads of fun learning with our new classmates and teachers!! We are also excited to get to work on our school goals for the year and look forward to working alongside our school community in supporting student learning and well-being, by helping all our students experience success and a sense of belonging at school.

Wishing you a wonderful month ÉWES!!

Yours in Learning,

Mrs. Olson (Principal) and Mrs. Sproule (Interim Vice Principal)

## National Day for Truth and Reconciliation

Each year, September 30<sup>th</sup> marks the National Day for Truth and Reconciliation.

The day honors the children who never returned home and Survivors of residential schools, as well as their families and communities. Public commemoration of the tragic and painful history and ongoing impacts of residential schools is a vital component of the reconciliation process.

This federal statutory holiday was created through [legislative amendments](#) made by Parliament.

### Wear Orange at ÉWES on September 28<sup>th</sup>

There will be no school on September 29<sup>th</sup> in recognition of National Truth & Reconciliation Day on September 30<sup>th</sup>.

Orange Shirt Day is an Indigenous-led grassroots commemorative day intended to raise awareness of the individual, family and community inter-generational impacts of residential schools, and to promote the concept of "Every Child Matters". The orange shirt is a symbol of the stripping away of culture, freedom and self-esteem experienced by Indigenous children over generations. ([www.canada.ca](http://www.canada.ca))

### \*Student Pickup and Drop Off Parking Reminders\*

For the safety of everyone please make sure student drop off/pickups happen in the drop off loops to the West (in front of Before & After School building) or East of our school (behind the staff parking lot – down the alley), in the parking area across from the school or in the alley ways. At NO TIME should parents have students meeting them in the staff parking lot.

Parents must refrain from dropping off or picking up students in the bus lane in the front of the school – even after the buses have pulled away. ÉWES is back to having field trips and buses must stay on schedule, so they must always have access to the bus lanes before, during and after the school day. The bylaw officer will be issuing tickets for those continuing to park in non- parking areas and stopping in bus lanes between the hours of 8am – 3:30pm.

For the safety of everyone, students and adults should be crossing the street at the marked crosswalks.

Drivers, please take extra caution when driving in front of the school. Please be aware that things will slow down during the beginning and end of school times.

### Air Quality Guidelines (AQHI)

Over the past several months, we have experienced a variety of clear days and smoke-filled days. Our division has responded with guidelines for practice to help us ensure the health of our staff and students is of priority.

We will closely monitor the AQHI daily and respond for both the “general population” as well as our “at-risk population”.

Thank you for your help and patience as we learn and implement these new practices.

## Air Quality Guide for Schools

Health Risk	Air Quality Health Index	School Messages for Outdoor Activities
Low Risk	1 - 3	All planned outdoor activities can proceed.
Moderate Risk	4 - 6	All planned outdoor activities can proceed.
High Risk	7 - 10	Recesses and lunch breaks can proceed but allow the option of coming indoors. Consider moving strenuous PE indoors. Consider postponing or adapting extra-curricular events with clean air breaks. Follow all relevant school division guidelines, including Sport and Activity Handbook (Outdoor Education), AP-418 Learning Activities Outside the School.
Very High Risk	11	Allow for indoor recesses and lunch breaks. Outdoor PE should move indoors. Extra-curricular events should be postponed or moved indoors, if possible. Follow Backcountry/Field Trip/Outdoor Ed Air Quality Guidelines.

Adapted from Environment Canada [Air Quality Health Index Messages](#)

\*Those individuals in the “At Risk Population” should consult the local Health Authority or health professionals for accurate medical guidance and precautions.

### Bus Students and Families

It is always important to take a moment to discuss expectations for behaviour when taking the bus to and/or from school. This privilege also comes with the responsibility to behave appropriately at the bus stop and while riding the bus.

As our school demographic is of a young age and we are all still learning, whenever possible, having an adult, parent or caregiver accompany your child at bus pickup and drop off will reduce unsupervised times and help increase positive behaviours in getting to and from school safely.

 **Welcome**   
 **To Our School!**

ÉWES asks that all visitor's to the school check into the office upon arrival.

All volunteers coming into the school will need to check in with the office to receive their volunteer lanyard.
