

January 2024

Dear ÉWES Families,

Happy New Year!! Bonne Année!!

We hope you all had a safe, restful, and rejuvenating Christmas holidays full of time with family and friends. December was a busy and exciting month and after all the fun dress-up days, crafts, movies, Sparkle the Elf shenanigans, the Winter Holiday festival, the food drive and the special gifts of brand new recess bins full of outdoor toys for each of our classrooms from the ÉWES Fundraising Committee were enough to fill our hearts and also tucker us out 😊

This month, we return with energy and excitement for a fresh start!! We look forward to building relationships within our classrooms and school family and in working toward our school goal, of feeling an increased in sense of belonging at school. This month, our area of focus is "I feel known, and valued" and we will have plenty of opportunities for students and families to engage as well as for staff as we delve deeper into our professional learning in the areas of inclusion and differentiation, as well as our ongoing path in reconciliation as we learn about decolonizing education.

We know that there will also be plenty of field trips, skating, snow forts and contests on the horizon and we look forward to all the memories that we will get to create together this new year!

On behalf of the staff at ÉWES, welcome back to the second half of our school year- let's make 2024 great!!

Mrs. Olson & Mme. Sproule

NEWS FROM OUR SCC...

Hope everyone had a relaxing and safe holiday break!

We are so excited to be back to school and we are even more excited to share that Christmas came early to our staff and students!!

Just before the break our amazing ÉWES Fundraising Committee was able to supply every class with an outdoor recess activity/playground equipment bin filled with wish list items that students can use at recess and outdoor gym. This was a huge goal for the SCC and helps ensure everyone has a sense of belonging at school...and our Fundraising Committee knocked it out of the park!! Not only will these bins provide so much fun and learning opportunities for students but hopefully they will help all children feel included and apply to a variety of interests for recess activities!! Everyone deserves to have things that inspire them and encourage imagination and of course, friendship. We wanted to help ensure that every child had interests met from sports to art and everything in between.

Thank you so much to our school and community for making this possible and even more so, making it happen so quickly with all your generous donations. These goals would be impossible if it weren't for our amazing community.

So again, a huge thank you/Merci from the SCC!!!!
