“Home of the Vikings”

~ *School Happenings* ~

Principal's Message

Planning for graduation is well under way, and our Grade 12 students are making plans for next year. By the time this newsletter is printed, we will have had our Learning for Life presentation at the Division Office. Preparing for the presentation reminds me how very proud I am to talk about the achievements of our staff and students. Well over half our students are on the Honour Roll. Our Grade 12 students will be graduating with an average of twenty-nine credits per graduate, which is well above average and the minimum of 24 credits. Our students have had another year of success in athletics, as well, with our teams competing as contenders and multiple championships.

The high school students in the WWB daVinci Construction Project are waiting for the word on when the Habitat for Humanity duplex will be transported to Avenue W in Saskatoon. Our high school students continue to work on the construction of the new Little Vikings PreSchool. Our middle years students are currently building dog houses out of scrap material, but we are always looking for other projects. If you are in the market for a garden shed and provide the materials, our students would love to build it for you. Please call Michael Neufeld if you would like to find out more about this possibility.

Our School Community Council (SCC) Annual General Meeting was held on May 7. We are always looking for people to fill the elected positions. We also have opportunity to volunteer for specific SCC jobs that do not require being an elected member. If you are interested in this opportunity, please contact me at the school.

If you are interested in buying advertising space in the combined Elementary/High School newsletter, please contact Walter W. Brown School (306.283.4434). Mr. Neufeld

Graduation 2019

The Walter W. Brown School Graduation Banquet and Ceremony will be held on Thursday, June 27th at TCU Place. The supper is by invitation, but the ceremony is open to the public; everyone is welcome to attend. Dinner will be at 5:00 pm, with the Ceremony to follow at 7:00 pm. We hope to see you there to celebrate our Gr. 12 class, and to wish them well on the next chapter of their lives.

Art Extravaganza and Awards Night

The annual Walter W. Brown School Awards program will be held in the school on Tuesday, June 4 at 6:30 pm. Awards in the categories of athletics and academics will be presented at the evening program. To add an extra flavour to the celebration, students will have their art projects on display beginning at 5:30 pm. Everyone is welcome to attend and help us celebrate our students' achievements.

Ms. Anderson for the Award's Committee

Missing/Overdue Texts and Library Books

All textbooks and library books are required to be returned to the school in June. All library books are due on June 7th, and textbooks for Grades 6 – 12 are due before June exams may be written. Students are responsible to return their proper issued texts for each class prior to that final exam being written; returning the textbooks is a condition of writing the final exam. Bills will be issued for overdue or missing materials. Please check at home for any school books that need to be returned. Thank you for your assistance in this matter.

Langham Dance Club

Dress Code (as found in the WWB Handbook)

How we dress sends a message about us. To show respect and sensitivity toward others, the following rules apply to dress and general deportment:

1. Students are not allowed to wear hats (or hoods) in the school.
2. Shoulders and midriffs must be covered; skirts and shorts must be a reasonable length.
3. Clothing that depicts negative lifestyle messages are not acceptable.
4. Proper gym shoes and clothing must be worn for all gym activities. The Physical Education teacher will inform you regarding special clothing requirements.
5. Dirty footwear will not be allowed in the school.
6. Clothing must be suitable for age and activity.

WALTER W. BROWN SCHOOL COMMUNITY COUNCIL

Annual General Meeting / Elections Tuesday, May 7, 2019 – 3:30 pm

The SCC would like to welcome and encourage members of the Langham community to attend our AGM. Reports will be given on SCC activity during the 2018-19 school year. There are currently positions open for the 2019-20 year.

Everyone is welcome!

*Successful schools don't just happen.
They need parent and community involvement!*

Senior Badminton

It was a successful year of Sr. Viking badminton with the students having fun and learning some new skills to put on the badminton court. After a few mini tournaments, the student athletes' were ready to head into the first round of playoffs, where our Vikings did very well. Our Girls doubles Kaitlyn W. / Bailey W. placed first and Rachel N. / Paige D. placed second. Darian R. / Elliot G. placed first in Boys doubles as well as Robert P. placed first in Boys singles. All these teams went onto the second round of playoffs where they fought hard and met some stiff competition. From this round, only Kaitlyn/ Bailey were able to move on as they finished first in girls doubles again to finish as CVAC Champions. The girls were able to go onto Regionals in Lloydminster where they placed third. It was a great badminton season for the whole team.

Mr. Stebanuk

Junior Badminton

Our first round of playoffs started on April 8 at Stobart School in Duck Lake. Results were as follows:

- Kaylan B. - 3rd in his pool of 4
- Larry N. - 2nd in his pool of 4; lost his semi-final match
- Hunter T. / Aydin N. - 2nd in their pool of 4; lost their semi-final match
- Derek N. /Carson B. - 1st in their pool of 4; won the final and advanced to the next round
- Kennedy R. - 2nd in her pool of 6; lost the final, but still advanced to the next round
- Taylor D. - 1st in the same pool of 6; won the final, and advanced to the next round
- Tayen W. /Ellie H. - 3rd in their pool of 6; won their semi-final, and lost the final but advanced to the next round
- Hailey F. /Tori B. - 1st in the same pool of 6; won the final, and advanced to the next round
- Quade L. /Hai Xin C. - 1st in their pool of 4. Since there was only one pool, there was no playoff; they advanced to the next round
- Colton H. / Erin L. - 2nd in the same pool, and advanced to the next round

Our second round was on Wednesday, April 10 at Warman High School. Results were as follows:

- Colton and Erin - 3rd in their pool
- Quade and Hai-Xin - 3rd in their pool
- Tayen and Ellie - 2nd in their pool; won the 3rd place final, sending them to the final round
- Hailey and Tori - 1st in their pool; won the final, sending them to the final round
- Derek and Carson - 1st in their pool; won the final, sending them to the final round
- Kennedy - 1st in her pool; second in the final, sending her to the final round
- Taylor - 2nd in her pool; won the 3rd place final, sending her to the final round

The CVAC finals were on Friday, April 12 in Martensville. Results were as follows:

- Kennedy placed 6th overall in the District.
- Taylor D. placed 3rd overall in the District
- Tayen and Ellie placed 3rd overall in the District.
- Carson and Derek lost a close final (2 games to 1) to Perdue and placed 2nd in the District.
- Hailey and Tori lost a heartbreaker (2 games to 1) to Colonsay and placed 2nd in the District.

Thanks to all the parents for their support during the season. Thanks to Taryn H., as well, for helping coach the team.

Mrs. Walker

Viking Track and Field

Track and Field is in full swing. Our senior athletes continue to set a wonderful example for the younger athletes, assisting them in any way possible.

Our pole vaulters have been faithfully attending two hour practices at the Saskatoon Fieldhouse on Sunday afternoons since the beginning April. This year we have four pole-vaulters - Riley B., Tiana D., Kyra B. and Derek N.. Regular track and field practices have been running four times a week. A calendar of all practices and important dates has been given out, as well. Students are asked to complete **eight** practices in order to be on the Viking Track and Field Team.

The top eight finishers at the Conference meet will advance to the Districts on May 23rd. Both the Conference and District meets will be held at Gordie Howe Sports Complex in Saskatoon. The 3000m race will be held in Delisle the Tuesday before Districts. Provincial Track and Field is in Moose Jaw on June 7/8. Good luck to all athletes.

The W. W. Brown School Intramural Track and Field Meet will be held on May 10th. All students in Grades 6-12 will participate, by way of competing or volunteering as workers to help make the day a success. For students currently in Physical Education classes, participation will be factored into your grade; all other students will have the option of participating and/or signing up to work. Students will earn extra points for their house as they can sign up for six events.

Important Track dates:

- *Fri, May 10th – WWB Track Meet
- *Thurs, May 23rd – Conf. Meet at GHSC
- *Mon., May 27th – Huskie Clinic III
- *Tues, May 28th – 3000m races in Delisle @ 5pm
- *Fri, May 31st – District Meet at GHSC
- *Fri/Sat, June 7/8 - Provincials in Moose Jaw

Have a great track season everyone!

Mr. Dunville, Mr. Neufeld, Mr. Chalifour, Mr. Huber

Dates to Remember

- May 7 -> WWB SCC AGM @ 7:30 pm
- 10 -> WWB Intramural Track Meet
- 17 -> No Classes – Teacher Prep
- 20 -> No Classes – Victoria Day
- 23 -> Conference Track and Field @ GHSC
- 31 -> District Track and Field @ GHSC
- June 7 -> All library materials due
- 7/8 -> Provincial Track and Field in Moose Jaw
- 20-26 -> Final Exams
- 27 -> No Classes – Teacher Prep
- 28 -> Report Cards

daVinci Project

It has been a great year at the Davinci Project. Students are seeing what it's like to be part of a construction work site. In helping with framing the structure of the duplex units for Habitat, the students were able to see various stages of construction. Currently, the duplexes are being scheduled to move out this Spring. These duplexes will be going to Saskatoon on Ave. W to help families in need of housing.

Starting in the Fall of 2018, Davinci was asked to help out with constructing the new Viking Preschool that is going up in Langham on Main Street. We started with setting up the foundation of the new structure, and then setting up for a concrete pour of the foundation walls in the chilly Fall months. The students then had to learn floor framing theory, and apply it to the worksite to set up the beams and posts to support the floor of the building. In the cold winter months, the construction crew faced adversity while learning theory and new skills alongside their 'team'. With the new semester came a new crew of student carpenters learning the theory and applying it as they built the exterior walls. The next steps of the process will be to frame the interior walls, and then prepare for the roof construction. Following that, they will finish the exterior and interior walls. What a fabulous partnership and learning opportunity. Mr. Stebanuk
